

Welcome to Santa Barbara during this very unusual time.

We are hosting a variety of virtual events via Zoom, such as book clubs, exercise and dance classes, discussion groups, and happy hours; also, the Board meets monthly via Zoom.

New members are always welcome, and we encourage you to join.

All memberships are being extended until the club resumes more normal operations; meaning that all new members will have their full two years (with an optional third year) from the time that the club reopens.

In response to the latest guidance from both the Santa Barbara County Public Health Department and the California Department of public health, the Santa Barbara Newcomers Club will slowly begin holding some in-person events soon. These events will be limited, small, focused on exercise, and held outdoors.

We are now offering a virtual orientation via Zoom for new members!

Please see our calendar of events for more information.

Thank you for your patience and understanding as our city, county, and nations around the globe manage through this crisis.
