high-level information for each event. There is also a “members only” view of our events calendar in the member’s section of our website. Once you are a member, you will be able to see all details of events posted as well as be able to register online for those you wish to attend.

5. How can I sign-up for an event?

Any member can sign up for an event on the Event Calendar by clicking on the event and then clicking the register button.

6. How are events organized?

SBNC members form committees aligned to an activity type or shared interest. Committees are responsible for organizing and executing the events for that interest area. There are currently more than 30 active committees that are planning 50+ events per month. Committees are made up of member volunteers and led by a Chair / Co-Chair who are responsible for all aspects of the successful execution of the event including promoting/posting events to the Event Calendar on the website.

7. When can I join a committee?

Once you are a member, you are eligible to join a committee at any time after your dues have been paid. Twice a year, in January and July, a Dine & Sign event is held to give every member a better understanding of the types of activities offered by committees. Members will have a chance to sign up for one or more committee(s) of their choice. Since committee participation is for a 6 month period (Feb through July and Aug through Jan), members have an opportunity to participate in a variety of different activity groups (committees) over the course of their membership.
